Clearly m^r Chamappa Raja cannot expect all Debts contracted by his father after the date of the order granting him the loan, to be discharged from the amount of the loan. Debts anterior to the order will have to be paid. Bills nos 4. 5 and 6 relate to such Debts.

m^r Sitaram Row has not sent any report as to what he has done so far. The Bakshi having died, it should not matter much if a few more personal Debts, such as those in question are added to the list of unsecured creditors, unless m^r D Sitaram Row has already brought the business to an end.

If any sum of money is left over out of the loan after settling the debts already in course of liquidation, such sum of money may be used to redeem the family jewels. It is impossible to grant any further loan for the redemption of the jewels as the income from the productive property is not sufficient to provide a sinking fund to discharge any larger loan than has already been sanctioned.

The minor Shop bills referred to in the present Communication may be left to be dealt with by Mr Chamappa ji Urs as suggested by Mr Sitarama Row.

Submitted to His Highness.

Mr. D. Sitarama Rao who has been entrusted with the duty of settling the affairs of the late Mr. Bakshi Basappaji Urs has forwarded for the orders of Government, a communication from the late Bakshi's son, Mr. A. Chamappaji Urs, requesting that arrangements may be made to redeem the family jewels pledged by his father and to settle certain outstanding shop bills.

Mr. Sitarama Rao says that the redemption of the jewels did not come under the purview of the previous Committees appointed by Government and that no action has been taken on the subject matter by him; and as regards the petty shop-bills, which had not been included in the list of debts submitted to Government, he suggests that Mr. Chamappaji Urs may settle them from his present emoluments.

As pointed out by the Secretary, it does not appear possible to grant any further loan for the redemption of the jewels, as the income from the properties made over to Government is not sufficient to

provide a sinking fund to discharge any larger loan than has already been sanctioned; but if after settling the debts already in course of liquidation any sum of money remains over out of the loan granted by Government, such sum may be used to redeem the family jewels.

I submit the matter for orders.

2. It is to be noted that the redemption of the pledged family jewels did not come under the purview of the previous committees appointed by Government, and no action has been taken on the subject matter by me.

3. As regards the petty shop-bills referred to in the enclosed application, and which had not been previously included in the list of debts submitted to Government, I think Mr. Chamappaji Urs can easily pay and settle them from his present emoluments. Respected Sir. Mysore

I received your letter of the 6th instant. I beg to submit my ignorance of the state of the estate during the days of my father. I recently learnt on enquiries made, that the estates are in a deteriorated condition. I enclose herein a detailed comparese memo and statement as to the best way in which my estates are to be managed in future. My father suffered heavy loss and I beg that the estates are to be managed in such a way in

in future as not to cause similar loss to me. I crave permission that, though the estates are under Government management, my respected Kinsman Sir Ranjundaraje Urs may be allowed to inspect my estates whenever he thinks it necessary to do so. I once more beg that you will be pleased to accord sanction to all my prayers mentioned in the Canarese memo and statement, and thereby to enable me to perpetuate the learned and good name of my fore-fathers.

With kindest regards.

I remain
Respected Sir
Yours very obediently

To

The Huzur Secretary
to H.H. the Maharaja
of Mysore

From,

Mr: Channappaji Urs
Bakshi, Zillo
Cutchery, Palace

Sir,

Your letter to hand.
It is not my intention that
my properties mortgaged
to Govt for Govt loan should
be subjected to the manage-
ment or supervision of Mr:
H. Nanjundaraj Urs, for their
improvements. The said
properties should remain
under Govt management
till the Govt loan is
liquidated. But I pray
that Mr: H. Nanjundaraj Urs,
who have opportunities to
inspect the properties
during his visits to
Arkalgud and Hassan

Talukson Govt duty;
may kindly be allowed
to inspect these properties
with a view to bring to the
notice of Govt any defects
in them and to get them
rectified.

2. My elders had
obtained Govt loan on
the security of Karagale
and other villages (in all 5).
These are the best ones
The Forest and Sandal reve-
nues of these villages have
been granted to us by
the late H. H. My
elders had constructed
an anicut near Sotehalla
to stop the water which
flowed through these villages
from Coorg, and used
to grow nearly 1000 kanders
of Paddy by this means -

This anicut and the granary (ரோஜா) built to store the paddy are now in a dilapidated condition.

3. There was no occasion for us to visit these villages after these were handed over to Govt for their management. The anicut ரை were out of repair and all the lands were left uncultivated.

4. The loan which our elders had contracted on the mortgage of these 5 villages having been liquidated in 1895, there remained a surplus of Rs 1444-9-- with Govt at our credit. Vide Palace Controller's No: 1175/785 dated 9th Aug 1907 received from ~~Govt~~ Comptroller to Govt).

Since then the villages are still under Govt management. The present Jamabundi of these villages is Rs 1910-14-8. Deducting from this the amounts due by us viz Kandayam on our own Patta lands, water rate, Local Cess and Poleji, there still remains a balance of Rs 924-1-5- with Govt at our credit every year. Nothing is known of the Sandal Revenue since then. My enquiry on this point to the Deputy Commissioner of Hassan has elicited no reply.

(5) There is no necessity for Govt to introduce measures of improvements

in

to these villages of their own accord without our desire ~~orders~~ & suggestions.

My present prayer is as follows: —.

That, on a perusal of the 3 accompanying marginally noted statements the Amildars of Taluks, in which properties fit to be sold are situated may be kindly ordered to take special interest in the sales & properties and to permit one of our own men to be present on the occasion on our behalf.

~~Of the properties to be retained~~ ~~be cleared~~ that the breached anicut and the tank situated in the villages to be retained are to be repaired ~~first~~ out of the amount remaining with Govt

I. Statement shewing the whole of the properties belonging to us.

II. Statement of properties which are unnecessary and which have to be sold ~~for~~ in satisfaction of Govt loan

III. Statement shewing the properties to be ~~retained~~ retained & to be improved for Govt loan.

as detailed above.

Travellers to and from Subramanya used to be fed for nearly a month in the Chatram built by our elders near Shanboga-halli This has been stopped for the past 3 years. A sum of Rs 100 used to be paid every year from the income of our properties towards this feeding expenses. A portion of that Chatram should be repaired out of the surplus amount and arrangements should be made for the conduct of the Santerpane every year. When either we or Govt Officers visit the village of Karagalale there is much difficulty in finding a place for ~~the~~ lodging owing to the ~~absence~~ want of a Govt ~~any~~

Government building or a "Mari Gudi". So it is prayed that the tiled roofing of the terraced granary maybe repaired and made use of for this purpose.

8. In the village of Karagalale there is an extent of 152-29 Acres by ploan assessed at Rs 685-11-1 belonging to our own Khate. As we have no other sources to get Paddy for our home consumption, it is prayed that an extent of ~~40~~ 30+10 acres maybe kindly set apart for our home use and the rest put to auction and the proceeds credited towards the payment of our Govt loan.

9. It is also prayed that Annuluabal Superintendent Mr. H. Naijunda Raj Urs

who

who is a well wisher of our family; may kindly be permitted to inspect & Superverse these villages during his tours to these parts on Govt duty, with a view to bring to the notice of Govt any defects he may come across and to suggest any means of improvements in them. If the above said 5 villages be improved and the Survey Settlement be introduced into them, there is ~~will be~~ no doubt that their revenue will be raised to nearly 5000 Rs p. a. The Forest, Sandal, and other* sources of revenue should be put to auction as per Govt Rules and the proceeds credited to our accounts, & proper accounts should

* ಮರ wood for building purposes
Teak

should be maintained.
If the above suggestions
and improvements are
carried out, I am fully
confident that the Govt.
loan will be cleared up
much earlier and that
I will be freed from
the Govt bondage.

11. "Hennuru" tank has
been included in the
Niroop granted to us
by the late Highness
and the same has been
improved at great cost
by our elders. But during
the time of Survey and
Settlement, nearly three-
fourths of this tank was
shown as belonging to

— the.

the neighbouring Govt
village of Kongalale,
without the fact being
brought to the notice
of my father. There
are documentary evidences
to show that the tank
belonged to us and that
it was improved by our
elders. I humbly pray
that this tank may be
kindly ordered to be added
~~shewn~~ on to my village
as was the case originally,
~~and thus protect me.~~

11. The Iraundar of our
neighbouring village
Karagalla, has cut and
removed some 125 Teak
trees situated within the
limits of our village and
is

is trying to establish
his rights within our village.
Therefore I pray that the
limits of our village may
be marked and settled
and the intruders ordered
not to interfere with ours.

Sd. A Chennappa Urs.

My dear Ramakrishna Rao,

His Highness understands that certain deductions have recently been made from the pay of Mr Chinnathaji Rao in repayment of advances made in the first instance from Palace funds in satisfaction of decrees executed against him. It is further understood that these decrees were obtained on bonds executed by him jointly with his father during the latter's lifetime. His Highness thinks it a hardship that deductions should be made from Chinnathaji Rao's pay, on account of such debts before that payments to [redacted] circumstances in the future may be settled

against his Palace Stipend of which Rs 400/-
is now being recovered every month, towards
recoupment of the loans recently sanctioned.
Will you kindly have this noted and oblige?
His Highness would also like you to kindly
have an eye on Chamarajpet Bros' current
liabilities, with a view to his being pulled up
should there be any tendency in him to be
indiscreet or extravagant.

Yours Sincerely

My dear Mr: Raghavendra Rao,

I returned from a long tour through the malnad portionsof Hassan and Kadur Divisionson the 31st last month and was put in possession of your D.O. letter dated 30th January.

As regards the disposal of late Bakshi Bassappaji Urs debts, I have compounded all debts included in the original statement with the exception of the one relating to Singamma for about Rs: 6,000/- and odd. She is not agreeable to receive the proportionate amount similar to those that had equal standing on the properties hypothecated to her. I have placed the question before Government for favour of orders before getting the deed executed from Mr: Chamappaji Urs. I have submitted also a statement of claimsfrom tradesmen against the late Bakshi to Govenment seeking instructionsto settle them finally from funds available at my disposal some time back and as yet I have not been favoured with orders. I will now take action in the matter under the instructionsconveyed in your D.O. under reply; bringing the facts to the notice of the Government. The correspondence and files regarding

the

the disposal of late Bakshees debts are at Mysore and I will submit them for perusal if required going to Mysore soon.

Regarding the liquidation of the family jewels of the late Bakshi under mortgage I find that the subject is sorrounded with lot of difficulties. First of all the family records do not possess any information as to the number and value of jewels mortgaged and with whom? I tried to get some detailed information when I was stationed at Mysore and with what results as I already intimated to you by D.O. and also personally to a certain extent. During my attempt to trace more details during December when I was on tour at Mysore I found that the interested parties were not as ready as before to give information and even evaded seeing me, when sent for. Under the circumstances I felt that I did not command the same influence as when I was stationed at Mysore. Even now I am under the impression that I will not be able to cope with the ---- situation in tracing all the jewels and redeem them at fair rate and bring about satisfactory results. As I personally informed you when we met, it is perhaps better that another Officer who is more in touch with the people at

at Mysore is entrusted with the task. I await instructio

Dear Sir Vikram Kao,

May I invite your attention to the correspondence ending with my D.O. letter No. 606 G.S. dated 15th May 1908, and request you to be good enough to kindly have the further information promised, submitted for His Highness' consideration at an early date?

Since May last year further claims from some traders have been preferred and even then would seem to require early settlement. As His Highness is desirous that the last of this case should be seen with as little further delay as possible would you very kindly give the matter your early attention & oblige.

My dear Ramakrishna Rao,

In sending you the enclosed petition from Mr. A. Channappaji Urs I desire me to say that

he would like done in the matter is this. He would like you drop & speak to these Chamarajpet ryots in quite a "fatherly" way and give them all the advice & the help that are needed under the circumstances. H.H. thinks that the Establishment may be cut down to the minimum consistent with Chamarajpet ryots' position & habits in life & the prestige of the family and the expenditure generally kept as low as possible. The services of all superfluous or temporary hands may be dispensed with at once & arrangements made at once for the sale of horses, carriages & other articles to the best possible advantage. Either locally or at Bangalore if that is found to be preferable. In regard to debts H.H. is of the opinion that these creditors might be very desirably & advisedly referred to Mr D. Sitaramaiah & their accounts if any settled through that channel. Steps taken in this case may be communicated from time to time for submission to H.H.

Yours sincerely

Your D.O.139 dated 13th September 1907 wishing to know how, when and under what circumstances the pay of the Military Bakshi Mr. Basappaji Urs though paid from State Funds is finally debited to the Palace Funds. The General and Revenue Secretariat to whom I referred your D.O. for putting up the necessary references say that papers containing orders on the point are not traceable in their records. But I am referred to a D.O. letter from Mr. J.B. Lyall, Resident in Mysore, to Mr. K. Endorsement No.Fl.650 dated the 1st September 1903 informing Mr.Basappaji Urs, Palace Military Bakshi, that the Govt would give a loan up to the limit of Rs.---- 125,000 on the security of his properties, to relieve him of his pecuniary embarassments, provided he agreed to --- place his affairs in liquidation in the hands of 2 trustees to be appointed by Govt and his creditors would receive a rateable portion and give discharges in full satisfaction of their debts.

2. Letter No.17 dated the 5th August 1907, from Messrs V.N.Narasimmiengar and H.Narsingh Rao, trustees appointed by Govt for the settlement of the debts of Mr.Basappaji Urs expressing their inability to adjust the debts of Mr.Basappaji Urs with anything less than Rs.176,000.

3. Letter No.7 dated the 12th July 1905 from -- Messrs B.Ramakrishna Rao and H.Nanjundaraj Urs, trustees appointed in Govt Order No.Fl.4247-8/RF 63-95 dated the 9th January 1905 for the settlement of the debts due by Mr.Basappaji Urs, reporting that no settlement can be effected with the creditors within the limit of Rs.125,000 proposed to be advanced by Government and suggesting that Govt might withdraw the offer to settle the Bakshi's affairs.

4. Govt Order No.Fl.3271-4 dated the 21st November 1905 appointing Mr. H.Nanjundaraj Urs sole trustee for the settlement of the debts due by Mr.Basappaji Urs and affording his creditors one more opportunity to -- come to an acceptable settlement.

5. Letter No.166 dated the 4th January 1906 from Mr.Nanjundaraj Urs, reporting that, as the majority of the creditors w

creditors were not agreeable to come to any understanding on the lines suggested in the preceding Govt Order, the offer to grant the loan may either be withdrawn or an additional amount of Rs.20,000 sanctioned to relieve Mr.Basappaji Urs of his liabilities.

6. Government Order No.Fl.8750-2 dated the 23rd June 1906 appointing Mr.D.Sitaram Rao, Chairman of the Mysore City Improvement Trust Board as Agent on behalf of Govt to settle the affairs of the Bakshi and requesting him to report what steps are necessary to relieve Mr.Basappaji Urs of his embarassments, what the correct value of the properties of that gentleman is and what amount is required to be advanced in order to relieve him completely of his liabilities

7. Letter No.A.dated the 6th August 1906 from Mr D.Sitaram Rao, reporting that any attempt at inducing all the creditors of Mr.Bassappaji Urs to receive a rateable portion of the debts due to them is impracticable but that they are willing to come to reasonable terms provided -- prompt payment of the amount settled is made and suggesting that it is advisable to settle at once the accounts of such of the creditors as may agree to the terms proposed to be offered by Messrs V.N.Narasimmiengar and H.Narsinga Rao in their letter No.17 dated the 5th August 1904.

8. Letter dated the 29th October 1906 from Mr.D Sitaram Rao, submitting a final report on the following points:-

(1) The extent and market value of all the properties belonging to Mr.Basappaji Urs

(2) The extent of the encumbrances subsisting thereon

(3) The soundness of his title thereto,

(4) The gross annual income that may be expected from the properties.

(5) The net income after deducting the expenses of management and interest at 4 per cent payable on the loan to be given by Government.

(6) The time within which the amount advanced by Govt may be expected to be recovered and

(7) The arrangements necessary for the management of the properties.

Order thereon No.Fl.861-7/Genl Fin.29-05
Dated Bangalore 21st August 1907.

Mr.D.Sitaram Rao estimates the total liabilities of Mr.Basappaji Urs at Rs.394,612 and is of opinion that it is not altogether impossible to discharge the whole debt with a loan of Rs.176,000. His estimate of the value of Mr.Basappaji Urs' immoveable properties is Rs.200,000 and of the annual income therefrom is Rs.8,500.

2. The principal points for consideration are:-

(1) Whether the loan can be granted from State Funds

& (2) Whether the loan asked for viz Rs.176,000 is sufficiently covered by the secuirty offered. Strictly speaking the State is under no obligation to grant such loans, but in certain special -- cases of Inamdars whose estates it is undesirable should pass into the hands of their creditors, the Govt have as a matter of concession given them advances to enable them to retain possession of their properties. The circumstances of Mr. Basappaji Urs' case justify in the opinion of the Govt the extension of this concession to it.

3. As regards the sufficiency of the security offered and the net income available for repayment of the loan it is observed that there is wide difference between the estimates made by the trustees appointed in 1904 and Mr D.Sitaram Rao. Messrs V.N.Narsimmiengar and H.Narsinga Rao were of opinion that the market value of Mr.Basappai Urs' property did not go beyond Rs.131,000 or the income beyond Rs.3,500 per annum . Mr.Sitaram Rao, however, estimates the

the value of the properties at about 2 lakhs and the annual net income at Rs.8,510. The Government are disposed to think that the revised estimate prepared by Mr.D.Sitaram Rai is perhaps a little too sanguine and has therefore to be accepted with a certain degree of caution and that a safer estimate of both property and income is to be found in a valuation midway between the former and the present one. On this principle it seems safe to assume that the immoveable property is worth not less than Rs.165,000 with an annual income of at least Rs.6,000, which may be expect--ed to be exceeded within a very short period of methodical management.

4. On this calculation a loan of Rs.176,000 from Government fund would not be justifiable. On the other hand, there is no reason why the Govt should not grant a loan of Rs.125,000, the amount which was actually sanction--ed and provided in 1903. This leaves a balance of Rs.---51,000 which His Highness the Maharaja has been pleased to signify his willingness to advance from the Palace Funds, the amount being repayable from the Palace stipend and from another source mentioned below.

5. As regards the rate of interest to be paid on the loan granted from the State Funds, Govt consider that, in the special circumstances of the case, a rate of 4 per cent is justifiable. At this rate of interest and with an annual income of Rs.6,000 the loan of Rs.125,000/- may be expected to be repaid in about 46 years. But there is reason to hope that the annual income will, with careful management, exceed Rs.6,000 and Govt consider that any such excess should be devoted first towards the necessary annual repairs to Mr.Basappaji Urs' house property and then the reduction of the principal of the two debts, Govt and Palace, in equal proportions.

6. Govt observe that Mr.D.SitaramRao contemplate

the

the possibility of having to utilize the Govt allowance of Rs.4,800 payable to Mr.Basappaji Urs, as well as certain other items mentioned in para 15 of his final report, for the payment of debts outside the rupees 176,000. There is no objection to this arrangement for the present, But after these debts have been ~~cleared~~ paid off, this amount should also be made available for the repayment of the debt due to Govt

7. The arrangement which the Govt of H.H.the Maharaja are pleased to sanction may then be summarised as follws.

(1) A sum of Rs.125,000 to be advanced by Govt at 4 per cent interest on the security of the Bakshi's immoveable property valued at Rs.165,000 and upwards repayable in yearly instalments of Rs.6000 plus the half of any excess over Rs.6,000/ derived from the income accruing from the property after the necessary provision for repairs and the allowance of Rs.4,800.

(2) The Bakshi's immoveable property to be taken under Govt management, his three residences being reserved for his occupation.

8. The main object of the arrangement outlined above is to free Mr.Basappaji Urs from the whole of his liabilities and at the same time to secure the repayment of the amount advanced for the purpose from the income from his immoveable properties which are to be mortgaged to Govt and as it is reported that all the creditors cannot be induced to accept any definite proportion of the debts in full satisfaction of their demands, the next best mode of accomplishing the said object is to buy up all the debts or in other words to obtain assignments of the debts from the creditors each of whom should be induced to forego as much of the amount due to him as possible. Mr.Sitaram Rao should then obtain from Mr.Basappaji Urs and his son an absolute sale to Govt of all the properties mentioned in

in the schedule ~~and next~~ annexed to this order with possession thereof, the consideration being the discharge at a cost of Rs.176,000 in all, of the mortgages and decrees subsisting, on the date of the document, against the said properties and the Bakshi personally and of such other unsecured claims as could be discharged out of the said total sum of Rs.--176,000/-. The executants of Mr.Basappaji Urs and his son will not however, be entitled to claim any balance that may be left over out of the above sum after discharging the aforesaid liabilities.

9. The Comptroller is requested to place a sum of Rs.1½ lakhs from the State Funds at the disposal of Mr. Sitaram Rao, for the purpose of settling finally, with the amount to be obtained from the Palads, (1)all debts secured by 1st mortgages on immoveable properties, (2)those secured by 2nd and subsequent mortgages on the same immoveable properties, in order of their dates, and for getting the documents transferred to Government from those legally entitled to do so, taking care, at the same time, to see that if any of the lands or other properties be placed under attachment by any of the creditors the same are freed from attachment before the conveyance is effected. The balance, if any, after meeting these two classes of debts together with the amounts referred to in para 15 of Mr.Sitaram Rao's letter dated 19th October 1906 will be equitably appropriated for the discharge of (3)the debts based on Pronotes, and (4)the tradesmen's dues and other similar dues.

10. Mr.Sitaram Rao may use his discretion as regards making disbursements in particular cases and obtaining a conveyance of the securities in favor of Government from the creditors, even before the deed of sale has been executed and duly registered, should he consider such a course is likely to tend to a reduction in the amounts that would be accepted by the creditors. But the sale deed may

be

be taken from Mr.Basappaji Urs and his son, as soon as the assignments af the secured debts are obtained and such of the lands as may be under attachment are freed from the same, so that they may not be again placed under attachment by any of the dissatisfied unsecured creditors.

11. The immoveable properties will be administer--ed by Govt agency. Mr.D.Sitaram Rao is requested to suggest, in consultation with the Deputy Commissioners of Districts in which the properties are situate, proposals for their efficient administration.

12. Mr.D.Sitaram Rao is requested to draw up,in consultation with the Government Advocate, the deed of conveyance to be executed by the Bakshi and his son and submit it to Government for approval. He will also take the same officer's advice on all legal aspects of the transactions.

* Particulars of extent and assessment to be ascertained and entered in the schedule, intimating them to Government for information and insertion in the Office copy of this schedule.

$$\frac{851}{147} = \left(\frac{26}{25}\right)^n$$

$$n = \frac{\log 851 - \log 147}{\cdot 0157446}$$

$$= \frac{\log 851 - \log 147}{\cdot 0157446} = \frac{\cdot 76}{\cdot 015}$$

$$= 50\tfrac{2}{3} \text{ years approximately.}$$

V If A = [illegible]

we get $A = \left(\frac{3}{20}A - \frac{1}{25}A\right) \times 25 \times \left\{\left(\frac{26}{25}\right)^n - 1\right\}$

$= \frac{1}{20}A \times 25 \times \left\{\left(\frac{26}{25}\right)^n - 1\right\}$

$= \frac{1}{2}A \left\{\left(\frac{26}{25}\right)^n - 1\right\}$

$\delta = \left(\frac{26}{25}\right)^n$

$n = \frac{\log 3}{\log 26 - \log 25} = \frac{\cdot 4771213}{\cdot 0157446} = 30\frac{47833}{157446}$

VI If A = [illegible]

$A = 25 \times \left(\frac{6}{25}A - \frac{1}{25}A\right)\left\{\left(\frac{26}{25}\right)^n - 1\right\}$

$= \frac{1}{5}A\left\{\left(\frac{26}{25}\right)^n - 1\right\}$ =

$6 = \left(\frac{26}{25}\right)^n$

$\therefore n = \frac{\log 2 + \log 3}{\cdot 0157446} = \frac{\cdot 7781513}{\cdot 0157446}$

$= 49\frac{66659}{157446}$ years

$$\therefore \quad A = (M - Ar)\left\{1 + (r+1) + (r+1)^2 + \cdots + (r+1)^{n-1}\right\}$$

$$= (M - Ar)\left\{\frac{(r+1)^n - 1}{(r+1) - 1}\right\}$$

$$= \frac{M - Ar}{r}\left\{(r+1)^n - 1\right\} \quad \cdots \cdots \cdots \cdots \cdots \cdots (a)$$

I Now in the given problem

$A = 100{,}000$ Rs $\quad M = 8000$ Rs and $r = \frac{1}{20}$

Substituting in the above

$$A = \left(\frac{2}{25}A - \frac{1}{20}A\right)20\left\{\left(\frac{21}{20}\right)^n - 1\right\}$$

$$= 20A\left\{\frac{16}{20 \times 20}\right\}\left\{\left(\frac{21}{20}\right)^n - 1\right\}$$

$$= \frac{4}{5}A\left\{\left(\frac{21}{20}\right)^n - 1\right\}$$

$$\frac{5}{4} + 1 = \left(\frac{21}{20}\right)^n$$

Taking logarithms

$$\therefore \quad n = \frac{\log \frac{9}{4}}{\log \frac{21}{20}} = \frac{3\log 2 - \log 3}{\log 3 + \log 7 - 3\log 2 - 1}$$

Now we have $\log 2 = .3010300$

$\log 3 = .4771213$

$\log 7 = .8450980$

Substituting, we get

$$n = \frac{.9030900 - .4771213}{.4771213 + .8450980 - 1.3010300}$$

$$= \frac{.4259687}{1.3222193 - 1.3010300} = \frac{.4259687}{.0211893}$$

$$= 20\frac{21827}{211893} \text{ years}$$

II When $A = 125000$ Rs $\quad M = 8000$ Rs $\quad r = \frac{1}{20}$

We get from (a) by substituting

$$A = A\left\{\frac{4}{5} \times 20 \times \left\{\left(\frac{21}{20}\right)^n - 1\right\}\right.$$

$$1 = \frac{25}{120} \times \left\{\left(\frac{21}{20}\right)^n - 1\right\}$$

$$= \frac{5}{24} \times \left\{\left(\frac{21}{20}\right)^n - 1\right\}$$

$$4\frac{4}{5} = \left(\frac{21}{20}\right)^n$$

Taking Logarithms

$$n = \frac{\log 32 - \log 7}{\log 21 - \log 20}$$

$$= \frac{\cdot 3\log 2 - \log 7}{\cdot 0211893}$$

$$= \frac{1.505150 - .8450980}{.0211893} = \frac{.6600570}{.0211893}$$

$$= 31 \frac{211893}{211893}$$

How many years will it take to pay off a debt of [illegible] lakh of Rupees bearing interest at [illegible] per annum if the total sum payable every year is [illegible] lakh of Rupees and in which the 1 1/4 lakh of Rupees will be changed [illegible] remaining the same.

Let A be the amount lent, M [illegible]

[illegible]

(i) ∴ M − Ar is the [illegible] loan in the 1st year

The Balance of loan is therefore A − (M − Ar).

Interest on this for 1 year is r{A − M + Ar}.

Hence M − r{A − M + Ar} is the recompense in the 2nd year

(ii) i.e. (1 + r)(M − Ar) is the recompense in the 2nd year.

The Balance of loan now is {(1 + r)(M − Ar)}

Interest on this for 1 year is r[{(1 + r)(M − Ar)}]

(iii) ∴ M − r{A + 2Ar + Ar² − 2M − Mr} is the recompense in the 3rd year

i.e. (1 + r)²(M − Ar) is the recompense in the 3rd year.

Similarly the recompense in the 4th year is (1 + r)³(M − Ar)

and so on.

If the loan is worked off in n years then we have

A = (M − Ar) + (r + 1)(M − Ar) + (r + 1)²(M − Ar) + ...

+ (r + 1)^{n−1}(M − Ar)

by our elders [illegible] out of repairs & on this account all the lands of this aricut is lying barren. May father had left these villages under Govt management as security for Govt loan. The Govt only Collected the yearly revenues but did not make any improvements in the way of repairing tanks, anicuts etc. My elders too did not pay any attention to these matters and this is the reason why the Revenues of these villages have fallen so low. We received an intimation from the Palace Controller stating that our Govt loan was liquidated so far back as 189- and that a balance of Rs 1444-9-" payable to us remained in the Govt. etc etc

N.B. The rest of the remarks is as given in the memorial with slight alterations here & there.
